HughesNet Reference Guide

HughesNet® is the high-speed Internet solution that's available to everyone—even in areas where cable Internet and DSL don't reach.* HughesNet uses satellite technology for a super-fast, always-on Internet connection. That means faster surfing, faster downloads, instant email access and it doesn't use your phone line—so missed calls and dialing in are a thing of the past! HughesNet lets you enjoy the Internet the way it was meant to be.

Need to get your business up to speed? Ask about the HughesNet business plans.

1. When you connect to the Internet using HughesNet, the upload and download speeds you experience will vary based on a variety of factors including the configuration of your computer; the number of concurrent users; network or Internet congestion; the speed of the Websites you are accessing; and other factors. Stated speeds and uninterrupted use of service are not guaranteed. During peak hours, actual upload and download speeds will likely be lower than speeds indicated.

2. Based on an analysis of customer usage data, Hughes has established a download threshold for each of the HughesNet service plans that is well above the typical usage rates. Subscribers who exceed that threshold will experience reduced download speeds for approximately 24 hours. During this recovery period, the HughesNet service may still be used, but speeds will be slower.

3. After 24 months, the monthly fee converts to the then-current rate.

4. Express Repair—Home includes 2nd business day coverage, 8am-5pm, Monday through Friday. \$29.95 per onsite repair incident in addition to monthly fee. 30-day vesting period if not ordered at time of initial purchase. Requires a one year term commitment. Other terms and conditions apply.

5. Express Repair—Business includes next business day coverage, 8am-5pm, Monday through Friday.

\$29.95 per onsite repair incident in addition to monthly fee. 30-day vesting period if not ordered at time of initial purchase. Requires a one year term commitment. Other terms and conditions apply.

6. PowerPak includes .98 m antenna; 2 W radio; tri-mast, non-penetrating, or pole mount; and professional installation.

* \$100 mail-in rebate applies to new subscribers only. HughesNet equipment and service must be purchased between 01/01/08 and 03/31/08. HughesNet service must remain active for a minimum of 31 days. Rebate submission must be received by 06/31/08. Other restrictions may apply. Offer void wherever prohibited or restricted by law. Visit www.rebate.HughesNet.com for details.

† HughesNet is available anywhere in the contiguous US with a clear view of the southern sky, Alaska and Hawaii excluded.

Service and hardware sold separately. 24-month minimum term required. Early termination fees apply. Visit legal.HughesNet.com for details.
